ENTERTAINMENT REIMBURSEMENTS
Virtual Meeting Meals not Reimbursable

- The UC Office of the President recently issued a reminder that all business meetings require an in-person host and are intended for on-premises and/or in-person meetings of employees according to UC Policy BFB-BUS-79, which governs the reimbursement of meal and entertainment expenses. Meals delivered or taken during a virtual or teleconference meeting (e.g., Zoom) are not reimbursable because the meeting does not meet this definition.

More UC BUS-79 Policy Reminders:

- The policy requires a signed Host Certification Form (generated in the KFS Entertainment Reimbursement e-doc, Forms & Reports tab) for recruitment, employee morale building activities, and entertainment & prospective donor meetings.
- For business meetings, an agenda is required documentation and must be included in your scanned documents.
- An employee acting as the official host conducting bona fide University business with an invited guest may be reimbursed for guest and employee meeting meals/light refreshments expenses. Individual employee meals will not be approved.
Types of Payees

• **One-Time Payee or Student**: Anyone who is not an employee or a vendor. This includes: faculty who are traveling and do not have access to approve electronically, faculty that are not active employees, and employees who are unable to approve electronically. Students who are not employees also qualify for this option.
- **Entertainment and Meetings that are Reimbursable:**
- **Attendee List:** Full first and last names including affiliation is required.
- **Invoices:** Include the invoice number and amount in “Check Stub Text” section.
